CREMATION TYPES

PRIVATE

This begins with the gentle pick up of your loved one from your veterinary clinic. Once in the care of Agape Pet Services, your beloved pet will be the only pet in the cremation chamber during the cremation process. When the cremation process is complete, we ensure that you receive only the cremated remains of your pet in your choice of urn.

COMMUNAL

Keeping the memory of your pet close to your heart, a communal cremation offers both peace of mind and solace. With communal cremation, your pet is gently placed into the crematory together with other pets. Cremated remains are not returned.

No Return Cremations are \$100.
