“ Chris,

Slade doesn't quite understand why you're not here anymore however he knows what has happened and remembers you fondly. As we all do. His first words when I showed him your picture were, "Oh I know him! He's my friend! He's nice to me!" And you were always that. Nice, friendly and a great person with a huge heart. It absolutely broke me when Slade said those words. You two were such buddies. Ever since he was born you've always asked how he is, would visit him regularly and when he wasn't in town you still checked in on him. We miss you so much already it hurts. Give Lynwood and Papa hugs for us! You make sure you watch over Slade as he grows up. We love you Chris and hope you're at peace.
