“ I got some bad news today. My cousin and friend passed away. Her dad and my mom were twins. So when they visited we visited. I taught her to how to dance one time,I was the wild one.We kept in touch over the years and each other informed about our own families and our siblings.She retired before me but our plans were to travel together since we both love to travel.But unfortunately she got sick and those plans never happened.It was a shock today but I know she is were she wants to be. I will miss our talks. Good bye Jackie I will miss you. Love You Irene
