“ I remember when he worked at the store he would pump gas and my Dad would never get his name right he would call him Ricky. Richard would just smile and take it in stride. He was just that way never let it get him down or just didn't show it.

“ Richie was always sweet, kind and caring to me. He loved his girls more than anything. He suffered for so long but now he has been made whole. I love and miss you Richie!

“ You are in our thoughts and prayers. Richie's quick smile and contagious laugh will be missed. He was the best at telling stories to get us all giggling. Sorry we won't be able to be with you all, but please know we thinking of you and sending our love.
