“ Linda and I were college roommates at Mary Washington College and kept in touch ever since. Linda was intelligent , hard working, beautiful and wonderful fun! She leaves a huge hole in the lives of her family and friends that’s unfillable. Boy, do I miss her laugh, Kate Ginman

“ I knew Linda as a fellow Master Gardener volunteer. Linda graciously leant her knowledge, appreciation and love for horticulture with her community and we are all better for having known her and worked together. The world will be a sadder less beautiful place without her. Please accept my sincere condolences.

“ How wonderful it was when Linda began attending Grace Memorial--one of the first things she did was join the altar guild!! It was just the three of us at that time, so having a fourth was a big deal! She was always upbeat and willing to take on any chore. We will miss her, but know she is in His Hands.

“ For Linda's Family, I knew Linda from St. Peter's Episcopal Church so I didn't see her often in the last year, but when I did she was radiant. Linda was one of those people who really listened to what you had to say and gave her entire self to the moment. She was deeply attentive to life around her. She was discreet and had integrity. I'll never forget the delightful twinkle in her eye at a shared understanding together. I value the time I knew Linda and will miss her.
