“ My condolences to the family. Aunt Shirley was always special to my heart. My mother told me that she kept me for almost a month after I was born because of complications she had. She bought me my first little doctors kit when I was four as I always wanted to be in the medical profession. Her laughter was contagious and I loved hearing her tell stories. Rest In Peace Aunt Shirley. Your mind is new again and you're with the love of your life. Donna, Sherry, Mike and Frankie, I love you all and pray for peace and comfort.
