“ *My Uncle Add was a wonderful, caring man. He loved his wife and family with all his heart. He and I shared the same birthday, so I always felt like I had a special bond with him. I know he is with his wife & son in heaven! Rest in peace! I love you!*

“ *Addison was a great and well respected man. I only knew him as "Grand Daddy" through my wife, Robin Keene. He made a strong first impression on me and his hard work ethic and dedication to his country and the Navy was very evident. The first significant time I was able to spend with him was at the celebration of his 50 year wedding anniversary with Evelyn. Their long standing and loving relationship set a great standard for Robin and I to obtain and that love never stopped after the passing of Evelyn. It is comforting to know they are now back together.*

*Love and Best wishes,*
