I was finally able to watch the tribute video and view the photos today for the first time. A big part of myself passed on with my beloved Gran. There is a part of my heart that is gone forever. I miss her more every day. The only thing that even makes her loss bearable, is knowing that she is in heaven now with Papa and uncle Mike. Rest in peace, Gran. I love you, always.

Not a day goes by that I don't watch this video and wish I could hold you one more time, but I know that you wouldn't give up your beautiful mansion to come back to this earth. I will look forward each day to the time you'll meet me at Heavens gate.
