“ Judy, Clark, Edgar, & Family, I am so sorry to hear about your mom. I pray that God will comfort you all during this difficult time. I very much enjoyed Annie Lou's company and especially all the times that we would talk about family history. She helped answer so many questions that I had about our family tree, I will be grateful for that always. I know she is in a better place now, with a perfect, healed body. If there is anything that I can do for you all, please let me know. Annie Lou will be greatly missed and loved by us all. Rest in Peace Annie Lou!

“ *Through my entire childhood, Annie Lou put up with Judy and I constantly wanting her to run back and forth to take or pick us up from each others house. She would let me stay for days on end at her home and make me feel so welcome.*

You will be greatly missed Aunt Annie Lou

“ *I love Annie very much, so many memories over a 23 year span. I wish that I had had the chance to talk with her. She had a big heart. I have memories of us putting perms in each others hair. Playing pranks on each other. I learned all about natural remedies from her. I know that she's truly happy now, but I know she will be greatly missed. Love you Annie, Debbie Crawford*
