“ *Teague and Britton,*

Your mom was a wonderful golf companion and friend. I still think of her when we're playing the 18th hole, and someone quotes her saying "the mule is now headed to the barn." My family and I also had the pleasure of traveling with her and your dad to Alaska several years ago. She will be missed, and your family is in my prayers.

“ *I'm Kathy Sloan, owner of Magnolia on Main Restaurant in Bennettsville. We had the privilege of serving Mrs Andrews breakfast and lunch on many occasions and would practically have her breakfast prepared before she had gotten settled in her seat with the newspaper, we knew exactly what she wanted. We will miss her and appreciated her patronage of our restaurant.*

“ *I worked with Sue at Midgley Agency, Inc. for many years. She was very knowledgeable and I had great respect for her. My daughter delivered her Charlotte Observer while in high school. I know her family will miss her terribly.*

*With sympathy,
