“ I am devastated to hear the news of Ashley's passing. I had the absolute privilege of getting to know her during my brief time at Gretna Medical Center. She was so friendly and welcoming of this "newbie" I can say without hesitation; she is one of the sweetest and kind hearted person I have ever met; a beautiful person inside and out. My prayers are with all of Ashley's friends and family during this difficult time. I know that Kaylee will always hold the light that shined within her Mom.

“ Ashley has always been such a special young lady. While she was several years younger than me, I have nothing but fond memories of coming up with both Ashley and Stephanie.  
In more recent years, there were quite a few times that I'd see Ashley when either myself or my son were feeling less than stellar. While no trip to the physician is pleasant when you're unwell, it was always a little easier when I knew Ashley was around. She always showed great empathy and even if it was me sick, asked about my baby by name.  
Prayers surround her loved ones! ❤️
