“ Aunt Toots was one amazing lady always smiling and jolly no matter how she must have felt never a bad word about anyone dressed so pretty and ready to go shopping or anywhere if asked. She brings so many wonderful memories love and laughter to the family and those who knew her. The queen of quilting her work was just amazing really an art. A few years ago she was given a ruff set of cards which left her paralyzed from her waist down but she gain her strength and with her deep love for Christ it didn't get her down. Like I said she was just an amazing adorable and gracious lady. Aunt Toots you will be missed but your gift of memories of you will forever be in our hearts.
