“ *Nita and Belvia, I was so sorry to hear of Glen's illness and death. We first met when Glen came to high school at Gretna after going to Hurt Elementary. He was tall and lanky and shy, but he had a slow genuine smile, and even at that age he was a real gentleman! I enjoyed seeing his pictures posted here depicting him as a little boy and later as a world traveller! I had no idea that he was such a golfer. You will miss him and I shall be thinking of you.*

Nita and Belvia, I am so saddened to learn of Glen's death. I was proud he was my cousin as I came to know him in the last years. What a fun and wonderful man! We discovered we had a similar sense of humour. I saw him several months ago in Lynchburg. Neither of us could have imagined it would be our last time together.

“ Blessings to the family. I have good memories of the youth group at Hurt Methodist Church where I first met Glenn and my future husband, Danny Emmett. We did a lot of double dating and had a large group of friends.
