“ I am deeply sadden by the passing of Barbara (Bobbie).. She was such a wonderful sweet lady and I enjoyed the various time which I was around her. Just this past Wednesday evening, I was looking at some pictures of a family event which she was at and I started thinking about her. I feel so badly for not calling her the next day but as usual, I took it for granted that there would be a next day. Although, I will miss her, my heart rejoices over how much she loved our Heavenly Father and that she's in Heaven now! I will be praying for each of you.
With much love, Angela (Tolley) Lewis & Darrell Lewis, also Daniel

“ Bryan

I am so sorry, to hear about your mom passing. I remember from working with you, how much you loved her. You were a good son, and always looked out for her. I know your pain, I lost my Dad five years ago. Lean on Beth and let her be there for you. I know your mom was so proud of your accomplishments and your two beautiful girls. It takes a long time to process the lost of a parent, give yourself time to grieve. I will keep you and your family in my thoughts and prayers.

She was a great friend, wonderful nurse, dearly loved her children & grandchildren - so proud of them & always ready with pictures & joyous updates on each of them & their activities! Barb - I'll cherish our last Wendy's visit - you'll be truly missed! God bless you!*

“ I have the most wonderful memories of Barbara (she was Bobbie to us way back then.) Her kindness towards me as well as many other people that were blessed to know her. She was a huge part of my young life. I will never forget what she taught me and how she treated me. I loved her like a sister and shared a lot of laughter and fun times with her. She was also there for me when things weren't so fun. I feel very blessed to have known her. I know Michael, Bryan and her family will have a huge space to fill in their lives with her passing. Try to think upon her love for life and people. She is home now with her heavenly Father. May God give you all comfort. Keeping you in my prayers.

With much love,
