“ Barbara and I were classmates throughout our school years. We enjoyed the solid and eventful teaching of the Elon community, sharing many good times at each other's homes. One of the best memories I have of Barbara was a fairly recent one. She and her good friend from Virginia invited me to lunch at The Village Grill in Burlington shortly after I became a widow. We shared many a memory of Milton, and laughed and reminisced for a good while. I found that to be one of the most thoughtful gestures one could make at a time of loss. Phone calls during the pandemic, church-related chats, and class reunion hugs made our connection one that I will always treasure. So thankful for this kind and loving friend. Lord, you've blessed me again!
