“ *We knew Larry and Beverly since, Kenny was a child of 3 or 4 years of age and Beverly was always a caring mother to her children and was a second mother to the neighborhood children also, especially a second mother to our sister Brenda Leigh, who had a childhood crush on little Kenny at the time, we kept our friendship for years afterwards because of the people they were, you would want friends like them forever. They are the kind you keep forever. You will be missed daily, Beverly, I think of our days often and smile and laugh at the jokes like the evening I had milkshake poured down my right arm cast in the August evening. Larry, and family you are in our thoughts and prayers during your loss. Beverly is in her Heavenly Home with her loved ones now.*
