“ *I hold such love in my heart for Billie and Carolyn. My Pop Pop raved about them from as long as I can remember so we always tried to visit on our VA trips when I was a kid. Then they hosted me for Thanksgiving one year while I was away at school in Danville. Such special memories. And considering I'm a Hokie he certainly didn't have to be kind to me, as he was such the quintessential Wahoo. My love and prayers to his family at this difficult time. He certainly will be missed.*
