“ Sandra,

I don't know if you remember Philip and I, but we remember you and your family with loving hearts. We did not know your son. We can only imagine the grief and heartache you and his family are having to endure at this sorrowful time. Please know that you and your entire family are in our hearts and prayers. Especially for those precious children of Brandon's. May you find strength in our Lord and Saviour.

“ *I hadnt seen Brandon much since school but when I did, he always had a smiled on his face and talked about his kids (who I could tell was the apple of his eye). I will miss randomly seeing Brandon around.*
