“ *Brenda, thank you for everything that you did for me and our family and I am grateful for your dear friendship. You helped me so much with the Nelsons when I first arrived in 1999. You also took good care of Dan and Eddie while I attended my dad's funeral in 2000. You and your husband Kenny Wayne got us to all to go to Busch Gardens and we all had so much fun, didn't we? It was probably the last fun trip that Dan enjoyed. I am saddened to hear of your passing, but I know there are No Tears in Heaven where you are. For that I am truly happy. RIP, my friend and I will always cherish our time together. I will pray for your family as I know they will miss you. Hugs.*
