“ I used to work with Brenda at S.A.I.D Inc. back in the 80's. She had such a vivacious sense of humor and made an otherwise boring job so much more fun. My thoughts and prayers are with her family and close friends and may thoughts of her bring warm memories.
God Bless you all,

“ Conner family, I am sadden to hear about Mrs. Conner "ladybug". It has been a long time since I had seen her, but was able to keep up with how she had been doing over the years. She was such a good person and fun to be around. I will most certainly will miss the funny emails she use to send. Just know that all of you are in my thoughts and prayers during this time.

“ *Aunt Brenda...you were always one of my favorite people. I had so much fun visiting you all when I was a teenager. Until this day I know my skills in driving a stick shift were because you so graciously and patiently taught me how to drive Butch's old mustang. I will treasure that memory and others forever.*

*Love and prayers~
