“ I have waited to express this, I was deeply affected by this event, I was the **FIRST** Firefighter on that scene that morning well before any other emergency services arrived. I am so very sorry that I was unable to be of any help, I've been doing this for a long time and certain calls stay with you and this was one of those. Again I am so sorry I couldn't do more.

“ I never got to meet you, Briella, or your mom, though I had long wanted to. Time somehow slipped right out from under my fingers, and then suddenly you were 5 and I still hadn't met you. I watched your dad grow up, and had hoped to watch you do the same.

No words exist to describe this type of pain. I should know. You won't ever be forgotten, sweet girl. I am so sorry that this happened to you and your mom. So, so sorry.
