“ I would like to extend my sincerest condolences to the Sunblom family. As a former employee of Brian's, it hurts to hear that he has passed away. To me, Brian was a kind, upbeat and pleasant person to be around. I'll never forget his laugh and smiling face. Rest In Peace.

“ I worked with Bryan for 2 years as a microbiologist. Bryan was a great boss. He was always supportive and understanding, and I could tell he cared about the well-being of his team. I appreciated how approachable Bryan was. If I ever had a question or concern, he was always willing to listen and help out. He was the kind of person you look forward to seeing. He encouraged me to grow as an individual, and professionally, and I would not be where I am now without him. My heart is broken to hear of his loss. Rest in Peace, Bryan.

“ Bryan was a great friend to grow up with through the years of Cottonwood Elementary, the junior high, and CGUHS. There were lots of adventures on our bikes around Casa Grande but we had the most fun playing high school soccer together. A brilliant person with a great heart. The "grown up" years took us to different parts of the country, but the memories remain. Comfort to Bryan's family this Christmas, especially his wife and sons.

“ *Rest in peace Bryan.
Jessica, Matt and Zach. Praying for you all during this difficult time.
He always joked with me at work (Abbott) about being younger than me, and was always pulling pranks on people... a really nice guy.
Praying you find comfort in the good memories he left you with.*
