“ *Dillard, Candi-Leigh has always been a shining light in this crazy world we live in. My husband, Bernie, who is in Heaven with Candi-Leigh, and I always enjoyed talking with her at the auction at Mo's on 501. She was beautiful inside and out, and was such a strong woman to battle her health issues like she did. She was strong, but at the same time had such a sweet and gentle spirit. Heaven has gained, but this world has lost with her passing. She is at peace with Jesus. I pray for you and your family.*

“ I was saddened to hear about Candi-Leigh’s passing... I’m glad that she is back with her mother whom she loved very much. To Dillard, I’m so sorry for your loss... I know she was the light of your life and there will be nothing that can replace that light. Please reach out if you need anything. I’m sharing one of the first pictures I took of Candi-Leigh in her element. She loved the beach.
