“ Verna and Carroll Wayne and family, I am so deeply sorry to hear of Carolyn's passing. She was a very precious woman and I learned a lot from her by working with her in bible school at Edge Hill back when Randy and I first got married, she inspired me and was always so loving and thoughtful to me and Ashley. We loved her dearly and I know we all know where she resides now! No question about it. Thank you Lord for this precious Lady! Verna you all will be in our prayers in days ahead for I know it is so hard to lose your Mother. God Bless each of you!

“ *Verna, Carroll Wayne, and family, words are hard to find to express how I feel, my heart is broken for all of you. I know your hearts are broken and heavy with grief for the loss of your dear sweet Mama, and Gany. We had some wonderful times together at Edge Hill and great memories that I will always cherish. She was a dear friend and I loved her very much. When I saw her at JB's funeral I could tell she had lost a lot of weight but I had no idea she was sick. The world lost a beautiful person and she will be missed so very much by everyone that knew and loved her. Although our hearts are broken we can all find comfort in knowing she is where she wants to be, with her Lord and Saviour and the love of her life, Wayne. A part of her went with him when he went home to Heaven, and now she is complete again. Rest in Peace my precious friend.*

“ Carolyn, lovingly known to me as "Snoots", and I met at GA Camp when she was 17 and I was 15 at Ridgecrest. Ours was a friendship bond that was rare. I remember when she and Wayne married. We lost contact for 43 years and were reunited when she and Gale came to Atlanta to visit me. It was just like not one day had separated us. We had such a good time together. I look forward, Carolyn, to seeing you and Wayne in Heaven some day! Carolyn was a wonderful person and a great friend and christian. To Verna, Carol Wayne, J.D. and all the family, you have my prayers, my thoughts, and my condolences in the passing of a simply beautiful person.
