“ I just learned of Cathie's passing, and wanted to express my deepest sympathy to the family. I worked w/ Cathie at BofA, and she was my mentor, friend, and a true genuine person who loved dogs and animals. She will be truly missed, but remains in my heart.

“ I did not know Catherine personally, but I wanted to express my deepest sympathy for your family. At times like this,I have personally found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to the time when I can see my loved ones again so much. Feel free to contact me at the attached email address and again I'm so sorry for your loss.

“ Dear God, Please elevate Cathie’s Dearest soul to the Best and Highest of Heavens and closest to yourself, we are sure she deserves nothing less than your full love and attention now.

Please don’t let her down, just as she never let us down. Please keep her smiles alive in our hearts, because you know how hurt our hearts are for you having taken her away from us so early in her life. You know that our selfish hearts needed her more than you do, but we also know that she is in good company with you, so please do take good care of her. Thank you.

Dear Trutch Family, My Deepest Condolences and May God fill your hearts with the desperately needed peace and tranquility for this insurmountable loss your family has suffered.

Ken, Khan.
