a message to Kay, Anderson's sister -

dear Kay, i was talking with my brother John yesterday about my two childhood friends Bobby & Anderson and the good times we had. i used to come over on my bicycle and we would play and hunt and fish. so today, I checked online for Anderson and learned he made the transition to spirit in May. our birthdays were 1 day apart.

I clearly remember u as a little girl and all your family. i am sending love and prayers to Anderson, to u and to your family. Anderson was a wonderful friend and i shall never forget him.
