“ *To the Johns family, I met Mrs. Johns while my mother was going through dialysis. They both rode the van together. I wanted to convey my deepest sympathy and to let you know that I have been praying for you. My mother was Minnie Hamlette. Each time I saw Mrs. Johns at the center she was always upbeat and kind, in spite of the dialysis. Trust God and He will see you through this until we all meet again. God's blessing to you!*

“ *Eddie*
We watched the love and dedication you had for your sister, Charlotte, and your Neice. We just want you to know that our thoughts and prayers are with you all during this tough time of saying goodbye. But we hope you and your family take comfort in knowing Charlotte is no longer suffering and in fact she is joined by those brothers and sisters who are now together with her once again! And as you celebrate her legacy, just think of how many lives she touched through her blessings of nursing!
With much sympathy yet positivity,
Your NSA Georgia Family
