“ *Nora and family, I remember your Dad and Mom from years ago when they lived in Hurt. They were such good people and whenever we saw them, they were always smiling and happy. They were very proud of their girls! I am so glad I was able to know them and will be praying for the days ahead. Nora, it was so good to see you at our 55th class reunion as you and I had discussed your caregiving of your Dad at that time. God bless you and your family.*
