“ Dear Sandy and family...
How sad to read of Christine's passing, but how marvelous that God gifted her with such a long and productive life. I have included a chapter on Christine and the inspiration she was on how to live my life in a book I am writing for my grandchildren, and would like to send you a copy of it to express all the reasons I will always love her. If you would e-mail me your address, I'll mail a copy to you immediately. My e-mail address is shirleymbailey@hotmail.com. I managed the office for your father when you were just a lad and I was only 21. I am now 83 and living in Northern Virginia in a retirement complex.
My deepest sympathy to you and your family, and sincerely hope you will respond.

With undying love for your mother, Shirley M. Bailey

“ Sorry to hear of your loss. May you find comfort in all of your fond memories. My husband spoke often of Mrs. Frazier she would come to the shop to have him check her car. She would talk about her grandchildren. Keeping your family in my thoughts and prayers.

“ Over 40 years ago representatives of the National YMCA told Christine Frazier and Minnie Lane that the town of Altavista was too small to support a YMCA. This only made these two women of vision more determined to succeed for the children of Altavista. Undeterred Minnie and Christine embarked on a journey that would create the original Altavista Area YMCA in 1972. Christine was a unique combination of kindness, dignity, intelligence, and determination. It took all these qualities to convince the citizens of Altavista to support the YMCA. For those who were here in 1972, I think everyone will agree that only Minnie Lane and Christine Frazier could have accomplished this feat. We will be forever grateful to Christine for without her there would be no Altavista Area YMCA.
