“ *So sorry to hear about Christine's passing. We remember the family reunions and visiting family members. We would love to have come for the service but I have had back surgery and can't travel that far, although I am doing well. Bob and I think of you all often and send our love to everyone. I got a facebook notice from Cheryl about a reunion in the spring and hope we can come. We're thinking of you. Let us hear.

“ So sorry to hear of Aunt Sis's passing. I use to love to go to her house on Sunday's and get water out of the well, being form the city that was a big deal to us. I remember one time when all of us city girls came to visit we filled the hog feeder with mud we thought the pigs were eating it. The next Sunday when we came She wanted to know which one of us had done it. When we told her we were feeding them she laughed and said the don't eat mud and don't do it again. We stayed away from the pigs after that. My thoughts and prayers are with you.

Granny Morris was a sweet lady. She and I talked on the phone and kept in touch! She was loved and respected by many who knew her!! She will be missed. But she was ready to go be with the Lord!! She would tell me that often when we talked! She is pain free with no more pain. She will watch over us now! I have some special memories of her and will see her again until then R.I. P. Dear Lady. God has another angel in heaven! Tommy Joe take care and know my thoughts and love go out to you and your Family!! Loved Granny Morris, she was a great friend!
