“ *Dear Jim and Family,
I know this will be a difficult time for each of you. Connie was such a fun loving and happy person, I don't think I ever saw her that she did not have a smile on her face. Please know she will be greatly missed by all who knew her. With Deepest Sympanthy, B. J. Jones*

“ One of my fondest memories of Connie was her and "her girls" after their visit to the Umbrella Store with their matching monogrammed beach chairs and "other gear" all looking like fashion plates out on the beach having fun at SOS like we were college kids on spring break again. Good times were had by all around her. We will miss you, Connie!

“ Jim and family,
Thinking of all of you during this sad time. Connie was such a sweet lady with a wonderful smile and so much to give. It breaks my heart to know she has been taken from all of you much too soon. Sending warm hugs and loving thoughts of her your way. Andy and I will miss her as well.

“ Jim,

We are saddened to know that Connie has passed. We always enjoyed seeing the two of you at the beach or anywhere good music was being played. We will always remember Connie's beautiful smile and fun loving spirit. She was a wonderful person. We so admired her strength and courage in battling cancer. She was truly an inspiration. Our thoughts and prayers are with you and the family.

“ *It's hard to put into words how inspiring Connie was, throughout her health battles she was always upbeat and enthusiastic. I followed her on Facebook to keep daily updates of how she, the family, and of course precious Bella were getting along. Last week when I read she'd had a bad fall, I'd hoped she'd pull through as she had so many times before. As time passed I'd hoped she would finally find the peace she so deserved, which now I know she has. Connie was such a dear and special friend to my Mom who has fought her own health battles. Thank you Connie for being such a dear friend to my Mom over the years. You were truly an inspiration to all. Lori Johnson*

“ *Connie, my dear childhood friend, I'm picturing you in heaven with your beautiful smile, dancing on a beach, pain-free telling us how happy you are to be with your mom, dad, sisters and nephew. I'm remembering all those Sundays as children we went to Penuel Baptist and took turns going home with each other. I am praying for your family, in particular Jim and Sabra. I know how hard it is for them to be without you. As you would tell them, "God is Good" and his promises sustain us. We will see you again!*
