“ I was so sorry to read about the passing of Crystal. So I wanted to take this time to express my condolence to you for the loss of your loved one. I wanted to share a thought with you that comforted me when I lost a family member in death. The man Job in (Job 14:14) asks" If an able-bodied man dies can he live again?". Happily Jesus answers in (John 5:28,29)-Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life” Imagine a resurrection back to life and right here on earth.--(Ps.37:29)-“The righteous themselves will possess the earth. And they will reside forever upon it”. I hope that you will be able to draw some comfort from these scriptural thoughts as I did.

“ I have so many fond memories of Crystal. We spent a wealth of time together as children. Always playing in the yard & I remember helping her learn her address & phone number & to write her name. I really appreciated the fact that she still came to see my parents & they thought the world of her. The world has lost a very sweet, special person. Much love & prayers for the family.

“ *My thoughts and prayers go out to the family. My grandfather used to take Crystal and I to the AJ Skateworld on the weekends and then we rode to school together everyday our senior year of high school. We lost touch over the years but I am very saddened to hear this news. Crystal was one of the most kind hearted people I have ever met.*

“ I met Crystal when she was working the drive thru at McDonalds' always busy and ready to help. I didn't know who she was then, later she came to BGF looking for a job and ended up becoming an employee. She was a good employee, did her job and had no problems with others. She was quiet and a little shy but always sweet. My heart goes out to her son, mom, dad and other family and friends. She will be truly missed by those who knew her. My prayers are with you at this difficult time.
