“ Cindy and Kevin, we share your heartache.

.
Darla will be missed. Darla and I spent many hours visiting and later talking on the phone. She was a light in the sometimes darkness. Darla kept children for many years and made them each a family member.

Loved her neighbors and had wonderful things to say about them. Made friends wherever she went.

Cindy, she loved and adored you. Kevin, I don't know if she ever forgave you for taking Cindy away, but she loved you and had great things to share about you. Hope there is Bluegrass Music in heaven, Darla.
