“ *Prayers sent for David and his family as well as all of his friends. I met David last year on a job site and he had me rolling in tears from laughter!! I helped get the mud out of the tracks using a stick and he cracked a joke on my husband bc I finished before him when he had actual tools! I will never forget that day! I'm sorry to hear of his passing and again, our prayers are sent. May he Rest In Peace!*

“ When I heard the news, I was finishing up some school work. I never thought the day would come so soon I had to say goodbye. I love you so much and I miss you so much, at least I know you are up there talking about the good old days. I will be up there with you some day I will be up there and we can sit side by side fishing in a Great Lake. But until then I love and miss you!
