“ *Mike has been a compassionate and devoted friend to our family. He has always been so faithful as a worker in our church. He was ever-ready with a smile and would sweetly remind us to call him if we ever needed anything through the week. This meant so much to us because we are originally from another state. We don't have many relatives in this area and so Patsy and Mike were quickly adopted as family. His friendship to our family and his love for our church will be greatly missed. We will draw our peace from the knowledge that he is in heaven right now singing praises with the angels.* ”

*We send our love and prayers to you Patsy and your family, Robin, Bill, Bryan, Staci, Brian and Amberlyn*
