“ I am so sorry to lose my long time friend. Diane and I grew up together in the Motley community and played for hours in the woods between our houses, making mud pies, building playhouses with rocks, moss and whatever we could find. We found ourselves in the same church and I watched this fascinating woman doing so many things for others, sewing or crocheting things from purses to socks, to pillows and giving them away. She had such a good heart and lots of good ole common sense. We will all miss her smile, her humor and her talent. We pray for Kevin and family in this loss and may they know that she was deeply loved by all who knew her.
