“ *Next to the birth of my daughter, the day I met Don was a wonderfully happy event. He saw me through very harsh times with compassion and love. He provided me with a happy home, happy life, and many sweet memories. We were truly a match made in heaven and strength of our dedication to each other. The end of his life was not deserved. He suffered greatly with Alzheimers/Dementia and Parkinson's. I will miss my other half greatly.*
