“ This memory is submitted 7/19/2018. My Name is Teddy Randall Spencer, age 54, and I am late sending out this note because i have just learned of Donna Nichols Nguetchang's Passing. Although, it has been approximately 27 to 28 years since I last saw her, she has always shone bright in my memory because she had one of the best personalities of anyone I have ever known. We attended Patrick Henry Community College and worked at a part time job together in the mid to late 1980's. She was considered a good friend of mine. But after I moved away and lived around the Country for a number of years, she is one of the friend's who I lost contact with along the way. I just want to say to her family and friends, that she was always a joy to be around as she brought humor, laughter and cheerful feelings around to me and the people we both knew back in the day. I shall never forget her smile and the pleasant memories she brought with it. Rest in Peace my Friend !! Sincerely, Teddy Randall Spencer.

Donna and I went to school together and I came home with her several times. We'd go to her as she called them "grandma and grandpa" house through the cowpasture. I will miss her very much. Our loss is heavens gain.
