“ I was so sorry to read about the passing of Donnie your loved one. So I wanted to take this time to express my condolence to you for your loss. I wanted to share a thought with you that comforted me when I lost a family member in death. The man Job in (Job 14:14) asks" If an able-bodied man dies can he live again?". Happily Jesus answers in (John 5:28,29)-Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life” Imagine a resurrection back to life and right here on earth.--(Ps.37:29)-“The righteous themselves will possess the earth. And they will reside forever upon it”. Jesus in (John 5:28) was relaying a promise from his heavenly Father-(Jehovah-(Ps.83:18)) who at (Titus 1:2) says is a " God who can not lie" Well I hope that you will be able to draw some comfort from these scriptural thoughts as I did.

Bennie, Philip and I are so sorry about Donnie. He was always such a happy person and always with something to say. I always considered him our cousin just as you were. I had not heard anything about him for many years, in fact I thought he had passed several years ago after Uncle Arnold. You will be in my prayers.

“ I'm sorry for your loss. Donnie was my Daddy's roommate at Carriage Hill. Your brother was such a sweet and gentle soul to my daddy and all our family. Each week when I go down Donnie would always greet me with a big smile, happy Hello's and a tight hug :-). I will miss him genuinely for he was such a nice man and surely he must have passed through Heaven's gates!
