“ *I'm so very sorry. Doris shared her room with me last October. I'd just had a quadruple bypass and had pneumonia. She played the most beautiful music 🎵 all night. It brought so much comfort to me. I lost my Mom a month ago. I'm sending love and prayers for comfort to you all.*

“ Rita, Blake, Brian & family - Our thoughts and prayers are with all of you during this difficult time. Doris was such a sweet lady. She put up with all of us as teenagers growing up in the neighborhood. We were always welcome in her home. She was such a good friend to my mom also. They had a very special relationship. I'll always remember my mom teaching her to drive. I think Lyle had given up on her, but not my mom. She was determined that Doris learned to drive. She was a great neighbor too, mom enjoyed all their visits, walks, and the wonderful vegetables she used to bring her. I'll never forget when I was pregnant with Courtney, Doris supplied me with tomatoes. She brought them to me just about every night while I was staying at mom's house during her illness. It's a wonder Courtney wasn't born looking like a tomato. When I visited her at Autumn Care, I would tell her who I was and she would smile. She enjoyed listening to her gospel music too. Our loss is heavens' gain.
With Deepest Sympathy,
