“ It was such an honor to have known this beautiful woman. Before i moved here to Va i used to come from Ny and fish at the Buckroe Fishing Pier on my vacation weeks. That is how i met her and her husband Jon. Then i finally moved here to VA and Dorothy and myself became very good friends and i started working with her on the pier. It was the best job to be able to be around such a sweet loving person and all the people i had met while working there. We were all family even though we were not blood related. You will be gratley missed and loved and will be forever in my heart. I thank God for all the memories that i have. My sincere sympathy and condolences to Jon and the family. I know you will keep all the rest of our Buckroe family that is in heaven with you straight and i know you all will be fishing for the big ones. Rest easy my sweet dear loving friend until we meet again. Love you

“ I'm 59yrs old and have been fishing Buckroe Pier since I was 14 ! I can remember when Dorothy and Jon took over management of the pier ! She had a way about her to make people smile and enjoy a day on the water , her ability to organize all of the end of season parties and friendly get togethers was amazing ! I'm truly proud and honored to call Dorothy my friend ! My heart and prayers go out to Job and the family ! We're all going to miss you !!!
