“ *Hi Everyone. Mom and I are so sorry to learn about the passing of our dear Edna. We were remembering times working at 7-11 or maybe having fun 😊 Love, Your Friend Always, Drema Yates. I will always remember the terrific babysitting by Dale. Poor Dale was in charge of me and Dianne :) while our moms worked. Great memories with Edna at the helm. I cannot remember the candy Dale made for us but, yummy! Will always love and miss you all ❤️*

“ *Dale and family we are so sorry for your loss. Mrs. Moore was so kind, sweet and caring. She always has a sparkle in her eyes talking of her family and grandchildren. She would come and visit my mom who has the same name and we would talk and laugh so much. We were so fortunate to have the chance of knowing such a sweet lady and friend.*

“ *Diane and family. I'm heartbroken with the news of GrannyRed's passing. I recall the stories she used to tell me, no matter how many times she would tell me the same one, I listened as if it were the first time that I heard it. She will be greatly missed.*

“ *Granny told stories like no one else. As a kid I enjoyed sitting and listening to her stories as much as playing with my cousins (she always said I was born an 85 year old man). Love you Red, you old junkyard dog.*

“ *Granny Red as everyone called Miss Edna was a delight to be around. She was full of life and was always telling you stories of her past and you listened whether it was for the first time or the 100th time. There are many times she had me laughing until tears would flow. She was a very special lady and I am so thankful I had the opportunity to know her in the years I have been employed at Moore's. Rest in peace Granny Red and know you will be missed by all who knew and loved you.*

My heartfelt thoughts and prayers to the Moore family during this difficult time. May the lord comfort you all now and the days ahead.
