“ *Probably the happiest time of my entire
childhood was when my mom was with
Mickey and I had Keith, Kim, and Kelley as
my big brother and sisters. It didn't matter that
I was a very little kid and they were
teenagers, I remember feeling that they truly loved me. I remember
laughter and love with all of my memories of then. I will always love
you big brother! I wish you had gotten to meet your nieces, they
would have loved you just as much as I do.. Vicki, Travis, Blakely,
and Jayden*
