“ Ed was very helpful in providing information on the old Boy Scout Camp Monocan which I was researching. After locating him via ham radio operators he supplied old documents complete with maps, original camp patches, carving items, lists of staff for several years, as well as many camp memories. Using his list I was able to track down other Boy Scouts who had attended the camp and collect their memories. In the end the former Scouts requested a reunion which was accomplished two years ago. Thanks Ed , we will all miss you very much.
