“ I'll never forget how kind and supporting Ed was to me during my horse show days. I remember fondly many conversations sitting in the Lexington stands. Ed is one of the finest persons I've ever known. My heart goes out to Faye and Jenny in this time of loss. May God grant you both His peace.

Faye and Jenny, I am sorry for your loss. I would like to share a few thoughts and keep them brief. I don't know that I will do a good job at that but I want you both to know that when I heard Ed had passed there are two feelings that I immediately had the first was sadness and the second was joy you see as you all know we've known of each other for quite some time but the horse shops and the barn encounters didn't last very long and time and busy lives I guess had kept us apart, however, I can't think of a time that I was with Ed that he didn't treat me with great respect kindness, a warm, handshake smile, his knowledge, but most of all it's just the way that I saw his great support and love for his family and that's always had an impact on me and while I I can't say that I knew, and or even you guys extremely well, I can say with no doubt in my heart that Ed loved God, and I believe his commitment was to live his life to express the love of God to others, my thoughts and prayers will be with you guys with love Donald.

Faye and family. So sorry to learn of the loss of Ed. I Knew him through The Staunton River Baptist Association. He was a strong Christian man, and I was honored to have him as a friend. He touched a lot of lives on his journey. He will be missed by MANY. You are in my thoughts and prayers.
