“ Sweet Aunt Elsie! I loved her so very much and will miss her spunky spirit! What a strong and passionate woman of God she was. She loved her family fiercely. I so remember that she and Jack drove into richmond when my Dad was dying and both were with him when he took his last breath. I know they are all having a big celebration in heaven. Elsie was the last one of that generation - our last link to our family. Peace be with Toni , Tim and the whole family. Susan

“ Thinking of you Toni and your family. Elsie will surely see her beloved Husband Jack and so many of her loved ones and friends now that her hard journey on earth is over. Elsie always enjoyed life and lived life to the fullest as long as she could. She will be missed so much by her family but I know she is happy she is in with her loving God and in her eternal home. She will be waiting for her family with open arms.
