“ I had the pleasure of working with Mr. Brockwell when I was assigned to Chesterfield Towne Center as an officer with the Chesterfield Police Department. We was great to work with and had a true moral compass.

He loved telling us all the great things his grandkids were doing!! He was a man that valued military service and respected public servants.

“ Elvin was the best grandfather in the world. I wish all grandchildren could have the love and admiration between grandfather and grandchildren that my grandchildren had with Elvin. I have heard him say so many times, "they are my life." That is truly unconditional love and he gave that to them. Rest in peace Elvin. You fought a good fight.
