“ *Ms. Ramey and I shared a lot and we always told one another that we were sisters in spirit. I was born on Ms. Ramey's birthday and she died on my sister's birthday; one more confirmation of our connection. She touched my life in such a positive way and she truly is my spiritual sister.*

She had such a great sense of humor and was always quick with a funny response or opinion. Her wisdom was enhanced by her experiences and pain, but especially by her love. The only complaint I ever heard from her was regarding her loss of independence; but she still accepted that with grace and wisdom.

I wish I had known her in her prime; but I thank God that he allowed me to share time with her in the last few years. I regret that I didn't spend more time with her these last few months. I loved her, I will miss her, and I will never forget her.
