She was born June 11, 1935 in Lynchburg, a daughter of the late Charles Lewis Carter and Euphan Perrow Carter. She was a member of Leesville United Methodist Church, served as a Regent with the Daughters of the American Revolution, and a retired Campbell County school teacher.

She was preceded in death by three brothers, L.C. Carter, Adolphus Carter, and Calvin Perrow Carter; and two sisters, June Heptinstall and Rachel Weldon.

A funeral service will be conducted at 11:00 a.m., Monday, December 18,

However, all are welcome to both. Graveside service and reception to follow the service at the church.

“Mrs. Goldsmith has always had a special place in my heart. I had her as a 7th grade teacher and worked closely with her throughout high school on the school newspaper. Being close neighbors, I often rode home with her in the El Camino when staying after school. She was always an advocate for her students and she used her sense of humor to lighten our days. Hugs to all the family. She will always be remembered as a big part of my early years.

“ Mr. Goldsmith and family, there are not enough words to explain
how much this saddens me. I remember her well, she was a Great
woman, very caring and loving. I know how you must feel. If there is
anything I can possibly do, please let me know. As you know I have
been where you are now and I would love to return some of the
goodness she shared with me when Bill graduated home to heaven.
All of you are in my prayers.

“ Ms. Goldsmith was my science teacher in middle school, waaaay back. It was in her class that my love of science began to really take shape and that love has followed me to this day. My favorite memory from the class is the day she explained why one should never assume!

Love and peace to your family in this time of loss - she was a fantastic woman.

“ Stan Goldsmith, I am so sorry to hear of Helen's passing. She was such a positive, caring woman and an awesome educator. I still remember when she came to visit me at the CVCC Altavista Center. She made quite an impression on me and we instantly connected on so many levels. I am saddened, but she has certainly left her mark in this community and will be missed, has been missed for a while. I hope that the beautiful memories she created with her family will help you cope in a time of sorrow and pain. Hugs and blessings to you Stan, and to the whole family. I am truly blessed having known her and her family.

“ Stan,

I'm so very sorry for your loss. You and Helen were so wonderful to me, Cameron & Chelsea. I will never forget the kitten you gave us, and the fun Cameron had with you in the garden the time we visited. And the memories of them coming to the office on those days when they were out of school, seems like yesterday. I know that Helen is in a better place, along with my Mom & Dad. It is hard for those of us here, but we will see her again someday. Thank you for being such a wonderful part of my life.

God Bless you and your family during this sad time.

Me too, Angela! She was one of those teachers who really cared about her students. I'll never forget being on her team for I think it was field day in 7th or 8th grade and the team was called the "Goldsmith Gators". She is going to be sadly missed by a lot of former students, her family and friends. She was an angel on earth and now she's an angel in heaven watching over us all.
