“ *Bonnie and Robert,
We are so saddened to learn of the passing of your mother. Mrs. Lee, although we did not get the opportunity to see her often, was always a light in our lives. We wish we could be there - we just now got back from Connecticut- but we are there in spirit. What marvelous parents you both were gifted with. You are in our thoughts and prayers.*

“ *I am so sorry to hear about Evelyn! My heart goes out to all of the family. Evelyn was one my mother's friends for so many years as well as to me. My mother loved her dearly. Evelyn always had some very wise advice for me and kind words. She was missed so much when she retired from the Post Office, it was never the same. Please know that you are in our hearts and prayers. Rest easy dear Evelyn, your work is done.*
